******HOME OF THE 2007 STATE OPEN OF VIRGINIA CHAMPION – JOSH MEADOR******

“Playing at Pendleton, particularly the few days before the tournament, practicing short game shots, chipping and pitching, prepared me for the challenge at Independence. Pendleton has been the ideal practice course, it has a challenging layout, and it’s a good test of golf. The pro, Ty Croghan who was also my caddy for the tournament, gave me a chipping lesson two days prior and it definitely helped me bring it home.”
