

## Director of Public Utilities Caroline County, VA

Caroline County is seeking a **Director of Public Utilities**. This is a professional, administrative position responsible for managing underground utilities including treatment and distribution, solid waste collection and disposal and capital improvement projects.

Oversees approximately 30 full-time employees with direct supervision over one managerial position. Reports to the County Administrator.

The successful candidate must possess excellent leadership ability, management skills, communication skills and contract negotiation skills.

Candidates with four year college degree in public administration, business, management or engineering will be equally considered. Requires at least 7 to 10 years of progressive related experience, including 3 years of supervisory experience, or any equivalent combination of training and experience which provides the required knowledge, skills and abilities.

A valid Virginia driver's license and good driving record are also required. Starting salary DOQ. Excellent benefit package including state retirement benefits.

Interested candidates should submit a completed county application, resume and cover letter to County Administrator Percy Ashcraft at P.O. Box 447, Bowling Green, Virginia 22427, (804) 633-5380. Position open until filled. Applications may be obtained from the County Administrator's Office or on line at [www.visitcaroline.com/empapp.pdf](http://www.visitcaroline.com/empapp.pdf).
